Inject Number: 03

Inject Duration: 30 Minutes

Inject Start Date/Time: Sat, 20 Jul 2019 11:40 – 12:10

From: IT Security Mgr

To: IT Staff

Subject: Develop a Password Policy

Develop a password policy with cover memo to the IT Director. The policy should address the construction requirement of end-user passwords and separately, the construction of accounts with privileged access. Include directions on how often these password should be changed and any restrictions on how they should be stored, if any.

Thank you.
